Answer

MINISTER OF STATE (DR. SUBHASH BHAMRE)
IN THE MINISTRY OF DEFENCE
????? ????? ?????? (??. ????? ?????)

(a) & (b): In an effort to improve India's Maritime Domain Awareness, the Government has been providing assistance to Indian Ocean littoral nations in setting up of Coastal Radar Stations. These countries include Mauritius, Seychelles and Maldives. The data received from the Coastal Radar Stations in these countries is used to enhance our overall maritime domain awareness.
